

Create your company - Web portal

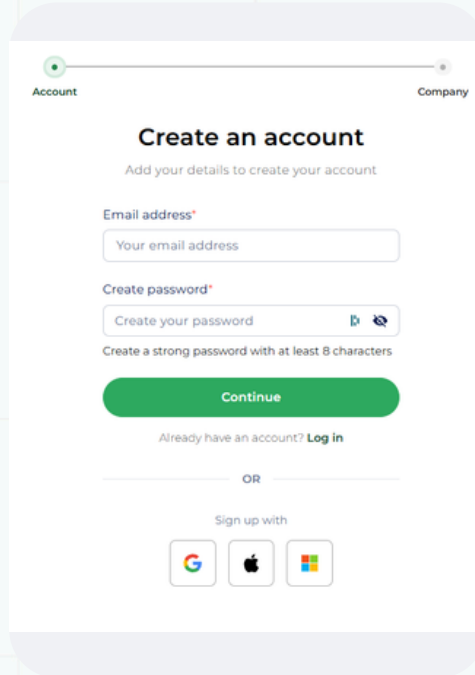

1

FOLLOW YOUR INVITE

When your company is invited to Onside, you'll receive an invite email. Click **'Accept invitation'**.

No email? [Register here](#)

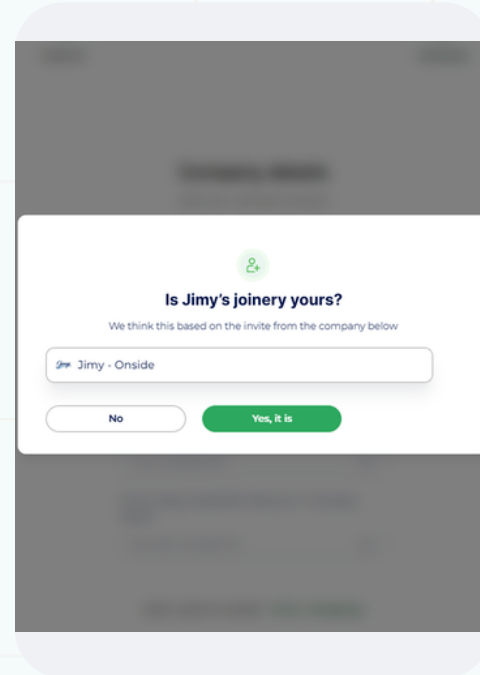

2

YOUR DETAILS

Add your own details and set your password.

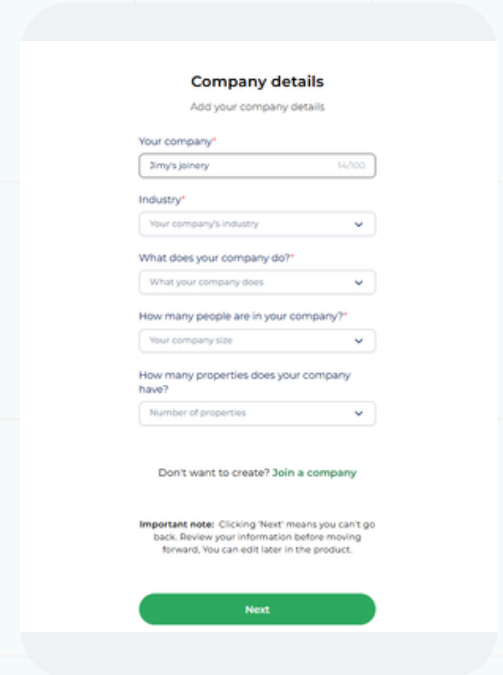

Use the same email the invite was sent to, if possible.

3

CONFIRM COMPANY

If you've registered with the same email the invite link was sent to, you'll get this pop up to confirm and accept your company.

4

COMPLETE DETAILS

Lastly, complete the details for your company and click **'Next'** to finish creating your company.
