

MOBILE APP

How to update your Onside app

**Onside**

Powering rural operations.

Update

- 1 Go to the App Store (Apple) or Google Play Store (Android) on your smart phone.
- 2 Search 'Onside' in the search bar.
- 3 If there are any updates available, you'll see a blue button that says 'Update', click that.
If there is no 'Update' button, that you are already on the latest version.

Tip: turn auto-updates on your device so you don't miss anything. For Apple users, do this in your phone's settings. For Android users, do this in Google Play Store
